

Friends,

Ann's campaign is on a roll.

She continues to earn endorsements from many of our most respected and effective leaders. The public servants who stand with Ann are those with proven track records of placing the concerns of the people — workers, consumers, seniors, women, small business owners, members of the LGBT community — before those of powerful special interests in Springfield.

Check out the growing list of Ann's endorsements at the end of this letter — with the most recent addition of Cook County Commissioner Bridget Gainer — and you'll see: Ann is quickly gaining recognition as the candidate with the independence and experience to speak — and speak effectively — for you.

In other news, I am excited to announce that Ann has earned the endorsement of the **Associated Firefighters of Illinois (AFFI)**, the organization that speaks for the thousands of men and women who put their lives on the line to protect our safety.

As underscored by the AFFI's endorsement, Ann will place the interests of Illinois' working families — including the need to safeguard the hard-earned retirement benefits of our firefighters and other public safety workers — first and foremost in her efforts to enact state budget reforms.

With the AFFI endorsement, Ann builds on her support from groups that champion the interests of working men and women. Last week, the **Illinois AFL-CIO** — which represents 1 million workers statewide — announced that they are backing Ann in the race for the 11th District State House seat.

What can you do to ensure that Ann is elected to represent you in the 11th District?

You can show your support in so many ways — make phone calls, canvass your neighborhood, host a coffee in your home, put a sign in your yard or window. . . just to name a few.
